

# All about my favorite singer

By Arka Trossian ツ you cant read this

Imagine Dragons who are they?

Imagine Dragons is a pop band that is a group of guys that make music. They are professionals at making music. I LOVE THEY'RE MUSIC they are a pop band/group and their names are Dan, Reynolds the second person is Wayne, Sermon, then the third person is the Ben Mckee, then the last persons name is.....Daniel Platzman. Really professional singers if u dont believe me go check their channel out on Imagine Dragons. They are sweet!

# What do Imagine dragons do?

As i told you guys Imagine Dragons is a Pop Band but what do they do? THEY SING. They are good singers and i love them. I won't tell you my favorite song from them ..YET. Okay so Let's continue Imagine Dragons .They have singers drummers bassists and the thing is that they are a genius to have a group to help out each other. They are doing it as a group because they are friends professional singers and their iq is up for making a group for helping out each other for singing. That's why they have 1000 iq i would of not thought about that.

# What do the Singers do

Well this question is very simple because i already told the names in the first slide but i haven't told you which one does different kinds of instruments. Okay let's continue with the names again and the stuff they do the first person is Dan, Reynolds is the lead guitarist the second person is Wayne, Sermon the next and third person is Ben, Mckee the bassist and the last person of them all is The Drummer Daniel, Platzman! There we go we listed the Musicians!!

# How do they get so many views

How do they get so many views? If u dont know how they get so many views is because they are professionals and famous singers they are rank 1 which was dated at July 15 for the most best music for the US. I love them great singers make so many edits,progress and post it on Youtube.

How many subscribers do they have

They have 21.5 Million subscribers ill give u a hint of something we are describing of something i am doing something for them. U might think its ur trying to sing like them and be a musical artist but no I am subscribed to them and the rest of the people love him too that's why they are subbed!

# Does he have merch?

Well that's a simple question if i ask you a question you guys will 100% get it correctly. Does every Famous people have merch? No but a lot do .Ok let's talk about his merch it is good they have something do like the thing when u go to the doctor and they say read the letters like c,b,n and others. They even have more stuff if u wanna check it out copy this link and paste it in google <https://shop.imaginedragonsmusic.com/> and that is the link i think u can click on it.

# Imagine Dragons Year Started singing and hard work

They started singing at 2012 for their first song called Its Time and they have been working hard on youtube for 9 years and if youtube wasn't a thing we would of probably not find this song or they would not publish this on something but luckily youtube was made in February 14 2005. You guys think i might of worked hard on this (Which i did) But it didn't do better than Imagine dragons. If u guys remember i told you i would tell you whats my favorite song from them which is my favorite song and it is..... Thunder i knew this for like 2 years of this song and it was cool for me. See u on the next slide.

# All there songs names

They have so many songs i won't list all of them because they have like 100 songs but ofc i would list some of them. Radiation, Thunder and a lot more!

# They are smart title

As i told you they are smart and helpful to each other. They thought about a pop band which they did together and they all succeeded on that and became one of the best singers for USA. I really love people that do hard work make me inspired and make me do hard work because of them. That's why i picked this for u be the teacher project. Thanks a lot to Imagine Dragons :)

# If i were them

If i was them which i wish i was it would be my dream! They are so helpful because i listen to their music and i am writing about them right now. If u dont believe me Imagine dragons has 1467 concerts done. U might think that is fake and just that's impossible but no its not fake and it is possible. One tip: Whatever u believe,you can achieve. And that is true if u believe in yourself you can do better.

# Why i love their music

I love their music because they work hard on it and makes me inspired me and it is just relaxing to me listening to their music. I listen to their music when im like tired,bored and playing. It makes me feel relaxible and just like chill for listening to their music i usually listen to thunder check out thunder on this link

<https://www.youtube.com/watch?v=fKopy74weus> Yea that was why i love their music and why it is inspired to me and don't forget i will show some of my kind of pictures of drawing like them. I hope u guys like them and loved my google slide.
