

YOU BE THE TEACHER PROJECT

BY
RYAN SHAMON

I will be teaching you about my favorite basketball player Kobe Bryant. He is my favorite player because he was so nice on the court and off the court. Kobe Bryant is married to Vanessa Bryant he has 4 kids named gianna natalia bianca and capri. Kobe's dad is named Joe Bryant who played in the nba. And his mom's name is Pam, he also has two sisters named Shaya and Sharia. Sadly Kobe and his daughter Gianna or short for Gigi died in a helicopter crash on January 26 2020. He has merchandise; he has shirts, shorts, shoes jerseys, hats , and socks. Well let's talk about how he played in the nba. He had played with legendary basketball players like Shaq and Steve Nash and Pau gasol. People call Kobe the best basketball player ever and I agree with people. He was drafted in 1996 for the Charlotte hornets but got traded the next day to the lakers. He is a top 20 in making the most three pointers. He is the second most nba player to score a lot of points in a game he scored 81 points! He is the youngest player to ever win a dunk contest in 1997 at the age of 18. He is also a 18 time all star, a 1 time regular season MVP, three time finals MVP and went to the finals 5 times. Kobe went to the hall of fame in the year of 2021. He was so great he did not go to college he just went to high school to the nba that's insane. He went to lower merion high school, he is a legend in the making he also has an Oscar for making a short clip. In 2016 he retired and played his last game and scored 60 points. He is down as the best basketball player ever in the world. He was also born in pennsylvania.
